Comments:	Please note that this site is a rest area only, there is no launch at this site. The Bureau of Land Management allows beach access and day-use along the shoreline, which makes it an ideal resting spot for paddlers. The North Parking Lot is 1.46 miles from the river using trails. Amenities: beach access, trails, picnic area.						

Please note that "large boats" is intended as a general reference to ramp capacity. Generally, vessels less than 16 feet in length are considered small and those greater than 16 feet as large.

If you have a question about this site, contact the agency responsible by using the phone number or link provided above. Permit/launch fees can change without notice, therefore, this site will not broadcast those costs. As always, if any of the information provided is incorrect or if there are any suggestions please contact Lisa Gutierrez at lgutierrez@dnr.state.md.us
