

Notice to Boaters
Little Gunpowder River/Gunpowder Quarry Canal
Harford County

The Department of Natural Resources has received a request to establish a 6-knot (6.9 MPH) all time speed zone in the Gunpowder Quarry Canal, Gunpowder Quarry and Lower Gunpowder Falls.

The Department will conduct a survey and study of this area during the 2015 boating season. Interested parties are encouraged to provide comment on the requested regulatory change. Written comments will be accepted until September 9, 2015. You may e-mail your comments to Michael Grant via e-mail Michael.Grant@Maryland.gov or you can mail your comments to the following address:
