

VISION STATEMENT OPTIONS

1. Deep Creek Lake and its watershed to be the crown jewel of environmental health and public and private participation for the State of Maryland .
2. Deep Creek Lake and its watershed to be a healthy and vibrant environment for residents and visitors to enjoy and engage in preserving its natural beauty while balancing environmental and economic interests.
3. With enduring government financing and private donations, the Deep Creek Lake Watershed will restore and retain its health, so that, for generations to come, it preserves its natural beauty, economic viability and a wide variety of recreational activities.
4. Deep Creek Lake Watershed through partnerships with private land owners and government agencies, will retain its environmental stability, natural beauty and economic viability, so that, for generations to come, local citizens have a great place to live, work and recreate and visitors can enjoy the rural nature and recreational activities that Deep Creek Lake Watershed provides.
5. We envision a Deep Creek Lake watershed where government, residents, and visitors support, appreciate, and balance interests to preserve the natural beauty and healthy ecosystem of the watershed while promoting vibrant and sustainable communities where current and future generations desire to live, work and recreate
