

Green Eggs and Sand One-Day Workshop
Presented by Maryland DNR at the
Ward Museum

909 S Schumaker Dr, Salisbury, MD

<http://www.wardmuseum.org> for directions to Museum; or if lost (410) 742-4988

August 6, 2014

9am-4:30pm

Registration Form
Limited to 24 participants

Name: _____

Home address: _____

City: _____

State: _____ Zip: _____ Home or Cell Phone: _____

Email: _____

School or Affiliation: _____

Deposit: Please make check payable to ERDG for \$50.00. The check will be returned to participants at the workshop. Cancellations after August 4 (regardless of the reason) will have their checks sent to and deposited by ERDG (not a complete loss: a tax deduction and a donation to a good cause☺ -see below).

A little info about ERDG:

The Ecological Research & Development Group (ERDG), founded in 1995, is a 501(c)3 non-profit wildlife conservation organization whose primary focus is the conservation of the world's four remaining horseshoe crab species (<http://horseshoecrab.org/>) .

*Send completed form and check for \$50 made out to **ERDG** to:*

Stacy Epperson
Maryland DNR
580 Taylor Ave, E-2
Annapolis, MD 21401
