Dear Deputy Director Bell, Mr. Braskey and Acting Secretary Peters:

Re: POS Annual Plan, FY 2017

On behalf of the Allegany County Commissioners I am sending the Fiscal Year 2017 Program Open Space plan for development projects that is attached (there are no acquisitions planned at this time).

The County's POS allocation is being directed to six of the County's municipalities, the County Board of Education and to a local sponsoring organization in the unincorporated community of Cresaptown for a variety of development projects within existing parks.

These projects address the goals of Allegany County's Land Preservation, Parks and Recreation Plan that was adopted by the County Commissioners in March of 2006 and the 2012 LPPRP update adopted August 2012.

We look forward to continuing to work with both the Department of Planning and the Department of Natural Resources in carrying out the County's long-range recreation goals. Should you have any questions about the Annual Plan, please contact me at 301-876-9546 at your convenience.

Sincerely,

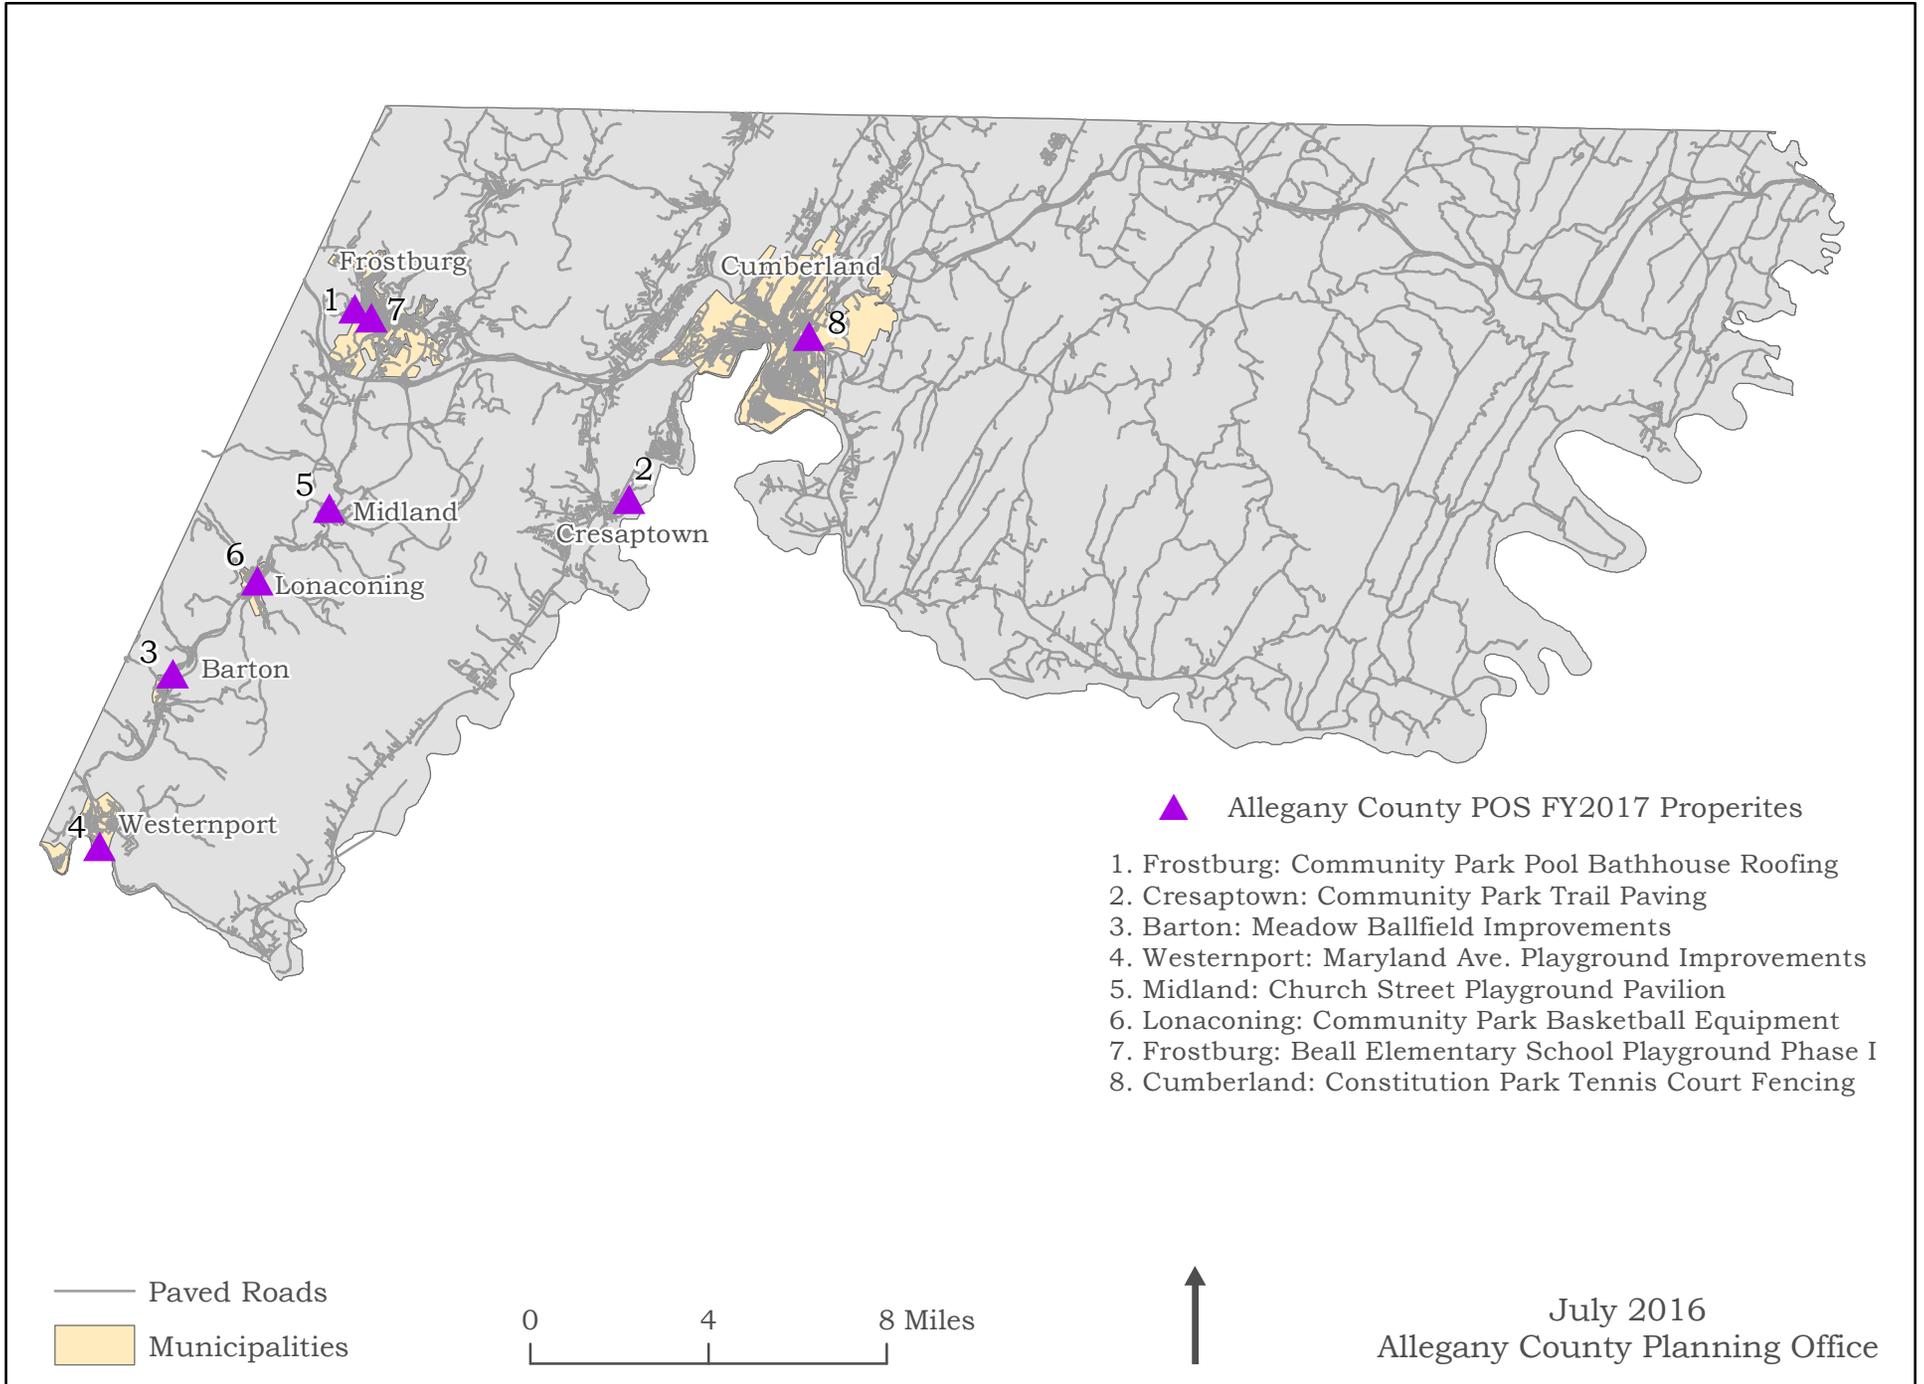

A handwritten signature in blue ink that reads "David A. Dorsey". The signature is written in a cursive style with a large, prominent "D" at the beginning.
